

ABOUT SHYAM DATA & VOICE

(Powered By TATA)

Shyamdata

The future of high speed fibre technology, delivered at your homes and offices. We are staffed by a team of techno savvy engineers on a mission to save you from, outdated copper networks with our new future-proof fibre packages!

SDV offers consistent Internet, Telecom, and Data services to businesses, and common households. Set up in 2016, SDV, today, is a widely respected company in India that offers services, which include, Internet Telephony (VoIP), and Fiber to The Home (FTTH).

Our clients come from diverse backgrounds. So, they could be common households, small businesses, large businesses, and everyone in between. Here is a quick list: Color Bar Cosmetics Private Limited, , Shroff Eye Centre, The covie PG - Gurugram, Omaxe Faridabad. T&T Homes Housing Society, Siddhartha Vihar, Ghaziabad.

Enjoy the freedom of endless possibilities with SDV!

SDV creates tremendous value for the developers by making their projects "Telecom Ready." And, Telecom Ready Homes (apartments/flats) are far more saleable than the ordinary ones.

Company deals in Commercial internet with high value customer 200 and 500 user in a single place.
